FOR REAL ESTATE AGENTS, MORTGAGE BROKERS AND ACCOUNTANTS

Get found by people in your city.

Money Globe X shows people their local housing market, their mortgage renewal and their taxes. List yourself where they look.

Real estate agents

- Your listing shows when people look at home prices and sales in your city.
- Post homes for sale.
- Send clients a one-page city report with your own name on it: prices, price ranges, sales, condos vs houses, rents and a buyer's or seller's market.
- Data for 26 Canadian cities, all 168 BC cities and towns, and the 100 largest US metro areas.

Mortgage brokers

- Be found when people check rates or their mortgage renewal.
- Homeowners use the free Mortgage Renewal Check to see their new payment, and can save it for a reminder before the renewal date.
- Requests from members in your city, on your professional dashboard.

Accountants

- Be found when people sort out their taxes.
- Members keep their tax slips and capital gains in one place and can share them with you, which saves time at year end.
- A professional dashboard for your requests.
